

Elections

The 2019 Election Cycle II was suspended by the GWCRHSAA Board on November 4, 2019, due to low response representing only 20 percent of the membership. Nomination ballots were mailed to 202 members on October 1, 2019, and responses were to have been received and/or postmarked by October 21, 2019.

As a result, current officers will remain in place until the next election. During the interim, any vacant position may be filled through appointment by the Chairman of the Board.

The Vice Chairman for Elections and Membership will be responsible (see “Elections,” pg 5)
